

## SOT-143 to SIP SMT Adapter

### Product Highlights

Immersion Gold Finish  
Double Sided  
RoHS 3 and REACH Compliant

### Specifications

Dimensions:	0.5" x 0.6" x 0.0625"
PCB construction:	FR-4 UL94V-0
PCB operating temperature range:	-40°C to +130°C
PCB reflow maximum temperature:	+260°C

### Description

Single-in-line package carrier. Fits SOT-143 components. 4 pins (0.1" pitch). This board uses our through-hole male right angle headers, Proto-Advantage part number: HDR100IMP40M-G-RA-TH, which are included.
